Hi Lorena,

Red Bull Global Rallycross (GRC) inquired about the possible use of the trolleys on their event days in October 2016. I informed her that the trolleys are owned by the San Pedro BID and I would make an introduction to you through email so she can ask the questions directly to the Executive Director.

GRC will be using the Berth 46-49, Outer Harbor, as their event location and the Fruit Terminal, POC Overflow lot and Cabrillo Way Marina as parking locations for their event. They were hoping to use the trolleys to transport the attendees from the parking lots to the event site.

Thanks,
